Policy Advisory Discussion

The Office of Civil Rights, Department of Education, announced the revision of Nondiscrimination on the Basis of Sex in Education, Part 106. The new regulations, revising 34 U.S.C. Part 106 (**\$106**) also known as Title IX regulations, are to go into effect August 14, 2020.

Policy Services is providing changes to policies, regulations and procedures so that each District can meet the deadline in the federal regulation for having a policy and grievance procedure/process in place. The new federal regulations not only change the definition of sexual harassment but in the opinion of Policy Services make it more difficult to prove sexual harassment for discipline or remedial purposes.

What needs to be done to comply?

Under the revised Title IX regulation, the District has two (2) things to consider:

- When does a District have a responsibility, under Title IX, to take action?
- When a district does take action, what must it do?

The new federal regulations indicate that the District must have "actual knowledge" of sex discrimination, including sexual harassment. Notice to a Title IX Coordinator, or to an official with authority to institute corrective measures on the recipient's behalf, describes the point when a school has actual knowledge which triggers the school's response obligations. This is the jurisdictional issue.

The policy and regulations are interpretations of the actions required. ACA describes the steps for informing the District employees, students and the community at large. ACA-RA gives the procedure that must be adhered to and ACA-RB describes the process to meet a reasonable time period. In the previous Regulations the period to accomplish the process was sixty (60) days. The recommendations in this document can approach eighty (80) days. What is reasonable in a particular case may depend upon all the surrounding circumstances.

Policy Advisory 206 - AC – Nondiscrimination / Equal Opportunity. Policy and procedures for this change were revised to incorporate the Boards' direction to the Superintendent to appoint a compliance officer for nondiscrimination and equal opportunity including employment. The change cross references Policy ACA, Nondiscrimination on the Basis of Sex. Several minor changes were made to the grievance procedure:

- to indicate the compliance officer's responsibilities,
- to establish that remedial steps are to be instituted if responsibility is established,
- to point out the procedures for review, and
- to inform the complainant of corrective actions if taken..

Policy Advisory No. 207 - ACA - Nondiscrimination on the Basis of Sex. *ACA, ACA-RA, and ACA-RB are replacements for the former ACA policy and procedures that were titled "Sexual Harassment".*

Each District should adopt this advisory by August 14, 2020 per the requirement of the revisions of 34 C.F.R. Part 106 and the Superintendent should designate one or more Title IX Coordinators .

Next the District must:

- Give the notifications required by paragraph two (2) of policy ACA to the persons entitled to notice as listed therein.
- Inform all employees of their obligation to report any and all sex discrimination activity of which they are directly aware or are made aware to the Title IX Coordinator, Superintendent or Supervising Administrator of their work site as indicated in paragraph three (3) and four (4) of policy ACA.
- Publish the Policy on Nondiscrimination on the Basis of Sex in paragraph five (5) per the directions in paragraph six (6) of policy ACA.
- Adopt regulation ACA-RA and RB as the Grievance procedure and process. *[Note that though paraphrased to some extent, ACA-RA is an outline of the procedures required by § 106.45. and therefore represents a legal requirement.]*
- Publish and provide notice of the grievance procedures and processes for reporting sex discrimination including sexual harassment.
- Publish and provide information on how to report or file a grievance for sex discrimination.
- Publish and provide information on how to report or file a formal complaint on sexual harassment and how the District will respond.
- Review carefully the new definition for sexual harassment, which is the key to enforcement of sex discrimination in programs and activities in educational institutions.

Upon a report regarding sex discrimination or sexual harassment relayed to the Title IX Coordinator, the coordinator shall;

- promptly contact the complainant,
- discuss the availability of supportive measures as defined in § 106.30,
- consider the complainant's wishes with respect to supportive measures,
- inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and
- explain to the complainant the process for filing a formal complaint.

Application of the process and procedures should follow.

- A grievance must be processed by use of the procedures outlined in § 106.45. These procedures are found in ACA-RA.
- The federal regulations also indicate that a prompt and equitable solution to a grievance is to be provided. The time frames for resolution of reported sex discrimination or a formal complaint are provided in ACA-RB.

Districts should begin to update handbooks, application forms, web sites and other handouts for student, employees, parents and the public with the Policy on Nondiscrimination on the Basis of Sex, as described in the 6th paragraph of Policy ACA. Information required to be given to those who are to be noticed (see paragraph two (2) of ACA) should be included in those materials.

A few other issues encountered

If the report or grievance is not about sex discrimination in the Districts' education services, employment, or programs as defined in the federal regulations, with the complainant participating or about to participate in those activities, then it does not fall under Title IX sex discrimination and should be routed to the Superintendent.

At one point § 106 asks the recipient District to select the standard of evidence to be used in determining responsibility. The selection is to be made between the civil standard "preponderance of evidence" and the criminal standard "clear and convincing evidence." Policy Services selected the civil standard of preponderance of the evidence. A preponderance of evidence standard may be the only evidentiary standard that treats both parties equally. The District may use the criminal standard if it prefers. Keep in mind, regarding the evidentiary issues, it is the institutions obligation to prove the case. Clear and convincing as an evidentiary standard is a very high standard to meet.

§ 106.44(a) indicates that "A recipient's response must treat complainants and respondents equitably by offering supportive measures as defined in § 106.30 to a complainant, and by following a grievance process that complies with § 106.45 before the imposition of any disciplinary sanctions or other actions that are not supportive measures as defined in § 106.30, against a respondent." This is interpreted to mean that recipient or District is to apply the grievance process and procedure found in ACA-RA to either a report of sex discrimination or a formal complaint of sexual harassment.

§ 106.44(b) then states that a response to a formal complaint must comply with § 106.45 and that with or without a formal complaint, a District must comply with § 106.44(a) which reinforces the use of § 106.45 in all cases. ACA-RA which contains the requirements of § 106.45 has several internal statements that indicate that certain parts only apply to responses to formal complaints. These conditions make

it difficult to say exactly what parts of § 106.45 as indicted in ACA-RA are to be followed in the case of a report of sex discrimination that is not a formal complaint or has been signed by the Title IX Coordinator.

The revised definition of sex harassment for purposes of Title IX in § 106.30 is very narrow and many of what used to be cases of sex discrimination in education programs will no longer fall under the newly coined and narrow definition in § 106.

According to a report from the Education Law Association (ELA) in a suit by 17 states in the U.S. District Court for the District of Columbia, the new Title IX federal regulations, "will reverse decades of effort to end the corrosive effect of sexual harassment on access to education."

Because of the current litigation, noted above, as well as the drastic change in definition of sexual harassment and extensive requirements for investigation of sexual harassment, Policy Services has been required to make a number of assessments regarding the application of the federal regulations and their implementation. The compliance instructions in the federal regulations are not clear on their face and have required a best effort at interpretation and establishment of understandable steps in meeting the mandates. Frankly, it is the policy opinion of Policy Services that there will be more litigation on a number of issues raised in the federal regulation revisions. Comments from others reviewing the changes have pointed out that many of the rules are intended for the required hearing procedures of higher education, not K-12 school districts. For this reason, Policy Services suggests that upon receipt of a report or formal grievance and following the Title IX Coordinators prompt response with supportive measures, consult legal counsel as the need is recognized. This recommendation is in an attempt to assist the District to avoid costs that may be required in litigation to clarify the intent and application of these federal regulations to K-12 schools and Districts.

Materials of a legal nature in support of this advisory may be found following the text of the policies or at the websites cited. If you have any questions, or requests call Policy Services at (505) 469-0193 or E-mail Dr. Donn Williams, Policy Services Director at [nmsbapolicy@cox.net].

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report (such as reporting to any District employee). Such a report may be made at any time (including during non-business hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator.

Any employee of the district is required to inform the Title IX Coordinator, Superintendent or the Supervising Administrator of their work site of any report made to them or any instance they observed regarding sexual discrimination or sexual harassment as soon as possible. Failure to do so may result in their being subject to disciplinary action.

Policy on Nondiscrimination on the Basis of Sex. This School District does not discriminate on the basis of sex in the education programs or activities that it operates, and per Title IX and 34 CFR Part 106 will not discriminate in such a manner. The requirement not to discriminate in the education programs or activities extends to employment. Inquiries about the application of Title IX and 34 CFR Part 106 may be referred to the District's Title IX Coordinator, to the Assistant Secretary of the Office for Civil Rights, Department of Education, or both.

Publications. The District will prominently display the contact information required for the Title IX Coordinator and the policy found herein on its website and in each handbook or catalog that it makes available to persons entitled to notification. The District will not use or distribute a publication stating that the recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by Title IX or 34 CFR Part 106.

Grievance procedure and process adoption. The District shall adopt, publish and provide notice of grievance procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by 34 CFR Part 106 and a grievance process that complies with § 106.45 for a report of sex discrimination or a formal complaint. As defined in §106.30(a), a "Formal complaint means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the recipient investigate the allegation of sexual harassment." At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the District in which a formal complaint is filed.

The District must provide to persons entitled to a notification, notice of the grievance procedures and grievance process, including:

- how to report or file a grievance of sex discrimination,
- how to report or file a formal complaint of sexual harassment, and
- how recipient will respond.

For purposes of this policy and by citation, the definitions in 34 CFR 106.30(a), are adopted (see citations below under LEGAL REF.) For purposes of this policy and in accord with the definitions in 106.30(a), "sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

- (1) An employee of the recipient conditioning the provision of an aid, benefit, or service of the recipient on an individual's participation in unwelcome sexual conduct;

(2) Unwelcome conduct on the basis of sex determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient's education program or activity; or

(3) "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30)."

Upon receiving a report regarding sex discrimination or sexual harassment with or without a formal complaint, the Title IX Coordinator shall provide a response to complainant and respondent of non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge which provide supportive measures and which shall include, discussion of supportive measures and informing them of what is available without a formal complaint. The Title IX Coordinator is responsible for the implementation of supportive measures.

Upon the making of a report regarding sex discrimination or sexual harassment the Title IX Coordinator shall promptly contact the complainant to:

- discuss the availability of supportive measures as defined in § 106.30,
- consider the complainant's wishes with respect to supportive measures
- inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and
- explain to the complainant the process for filing a formal complaint.

Supportive measures as indicated above may include:

- counseling,
- extensions of deadlines or other course-related adjustments,
- modifications of work or class schedules,
- campus escort services,
- mutual restrictions on contact between the parties,
- changes in work or housing locations,
- leaves of absence,
- increased security and monitoring of certain areas of the campus, and

- administrative leave while a grievance is pending,
- emergency removal (following an individualized safety and risk analysis), and
- other similar measures.

In responding to a report or formal complaint the District must treat complainant and respondent equitably by offering both supportive measures.

The District must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

Retaliation prohibition. No recipient or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or § 106, or because the individual has made a report or grievance, testified, assisted, or participated in or refused to participate in any manner in an investigation, proceeding, or hearing under this part. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or grievance of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX or this part, constitutes retaliation.

Corrective measures. A finding of responsibility will be a determination that the District or a person in the District has violated policy and actions to correct the discriminatory practice or change the behavior of those involved will be instituted. Remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District, if appropriate.

A substantiated report of sex discrimination or formal complaint finding responsibility against a staff member in the District shall subject such staff member to disciplinary action in accord with GCQF - Discipline, Suspension, and Dismissal of Professional Staff Members or GDQD - Discipline, Suspension, and Dismissal of Support Staff Members.

A substantiated report of sex discrimination or formal complaint finding responsibility against a student in the District shall subject that student to disciplinary action, which may include the permissible penalties of JK - Student Discipline and/or JKD - Student Suspension/Expulsion.

REGULATION**REGULATION****NONDISCRIMINATION ON THE BASIS OF SEX**

The procedures that follow are specified in 34 C.F.R. Part 106 at 106.45 as required by 106.44a and though listed as a regulation are federal regulations implementing Title IX of the Education Amendments of 1972 as amended. Therefore, this regulation is considered the same as a policy.

The following procedures apply to all reports and formal complaints of sexual harassment that may be received with the following exceptions for reports of sex discrimination that are not formal complaints :

- notice of the allegations,
- consolidation of formal complaints,
- dismissal of formal complaints,
- investigation of formal complaints, and
- any part of a noted procedure that is specified for a formal complaint.

Discrimination on the basis of sex.

A District's treatment of a complainant or a respondent in response to a report or formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX. For the purpose of addressing formal complaints of sexual harassment, the grievance process must comply with the following requirements. Any provisions, rules, or practices other than those required by § 106.45 as part of this grievance process for handling formal complaints of sexual harassment as defined in § 106.30, must apply equally to both parties.

Basic Requirements

A district's grievance process will:

- Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following this grievance process before the imposition of any disciplinary sanctions or other actions that are

not supportive measures as defined in § 106.30, against a respondent. Remedies will be designed to restore or preserve equal access to the District's education program or activity. Such remedies will include the same individualized services described in § 106.30 as "supportive measures"; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent;

- Require an objective evaluation of all relevant evidence - including both inculpatory and exculpatory evidence - and provide that credibility determinations may not be based on a person's status as a complainant, respondent, or witness;
- Any individual designated by a District as a Title IX Coordinator, investigator, decision-maker, or any person designated by a District to facilitate an informal resolution process, shall not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. The District will ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training on how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. The District will ensure that decision-makers receive training on any technology to be used at a live hearing and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, as set forth in paragraph (b)(6) of § 106.45. The District also will ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence, as set forth in paragraph (b)(5)(vii) of § 106.45. Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, will not rely on sex stereotypes and shall promote impartial investigations and adjudications of formal complaints of sexual harassment;
- It is to be presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process;
- Include reasonably prompt time frames for conclusion of the grievance process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the District offers informal resolution processes, and a process that allows for the temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law

enforcement activity; or the need for language assistance or accommodation of disabilities;

- Describe the range of possible disciplinary sanctions and remedies or list the possible disciplinary sanctions and remedies that the District may implement following any determination of responsibility;
- Use the preponderance of the evidence standard, apply the same standard of evidence for formal complaints against students as for formal complaints against employees, including faculty, and apply the same standard of evidence to all formal complaints of sexual harassment;
- Include the procedures and permissible bases for the complainant and respondent to appeal;
- Describe the range of supportive measures available to complainants and respondents; and
- Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

Notice of Allegations

The following is required upon receipt of a formal complaint

- The District must provide the following written notice to the parties who are known:
 - Notice of the District's grievance process that complies with § 106.45, including any informal resolution process.
 - Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined in § 106.30, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include if known:
 - ▲ the identities of parties involved in the incident,
 - ▲ the conduct allegedly constituting sexual harassment under § 106.30, and
 - ▲ the date and location of the alleged incident.
 - The written notice must include a statement that the respondent is presumed not responsible for the alleged conduct and that a

determination regarding responsibility is made at the conclusion of the grievance process.

- The written notice must inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, under paragraph (b)(5)(iv) of § 106.45, and may request to inspect and review evidence under paragraph (b)(5)(vi) of § 106.45.
- The written notice must inform the parties of any provision in the District's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process. That information may be found at;
 - ▲ GBEB Standard II, GBEBB last sentence and GCQF Misconduct for Professional staff,
 - ▲ GDQD Categories of Misconduct for Support Staff,
 - ▲ JK for students.

If, in the course of an investigation, the District decides to investigate allegations about the complainant or respondent that are not included in the notice provided pursuant to paragraph (b)(2)(i)(B) of § 106.45, the District must provide notice of the additional allegations to the parties whose identities are known.

Dismissal of a formal complaint

- The District must investigate the allegations in a formal complaint. If the conduct alleged in the formal complaint would not constitute sexual harassment as defined in § 106.30 even if proved, did not occur in the District's education program or activity, or did not occur against a person in the United States, then the District must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX or § 106. Such a dismissal does not preclude action under another provision of the District's code of conduct.
- The District may dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing: a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; or the respondent is no longer enrolled or employed by the District; or specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

- Upon a dismissal required or permitted pursuant to paragraph (b)(3)(i) or (b)(3)(ii) of § 106.45, the District must promptly send written notice of the dismissal and reasons therefor simultaneously to the parties.

Consolidation of formal complaints.

The District may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one complainant or more than one respondent, references in § 106.45 to the singular "party," "complainant," or "respondent" include the plural, as applicable.

Investigation of Formal Complaints

When investigating a formal complaint and throughout the grievance process, the District must:

- Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the District and not on the parties provided that the District cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the District obtains that party's voluntary, written consent to do so for a grievance process under § 106.45 (if a party is not an "eligible student," as defined in 34 CFR 99.3, then the District must obtain the voluntary, written consent of a "parent," as defined in 34 CFR 99.3);
- Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
- Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
- Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the District may establish restrictions regarding the

extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;

- Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings with a party, with sufficient time for the party to prepare to participate;
- Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.
 - Prior to completion of the investigative report, the District must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least 10 days to submit a written response, which the investigator will consider prior to completion of the investigative report.
 - The District must make all such evidence available for the parties' inspection and review and at any hearing, give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination; and
- Create an investigative report that fairly summarizes relevant evidence and, at least (ten)10 days prior to a hearing (if a hearing is required under § 106.45 or otherwise provided) or other time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

Alternative to Hearings

The District's grievance process will not provide for a hearing.

- After the District has sent the investigative report to the parties pursuant to paragraph (b)(5)(vii) of § 106.45 and before reaching a determination regarding responsibility, the decision-maker(s) must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.

- Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.

Determination Regarding Responsibility

The decision-maker(s), who cannot be the same persons as the Title IX Coordinator or the investigators, must issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) must apply the standard of evidence described herein.

The written determination must include:

- Identification of the allegations potentially constituting sexual harassment as defined in § 106.30;
- A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
- Findings of fact supporting the determination;
- Conclusions regarding the application of the District's code of conduct to the facts;
- A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the District imposes on the respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the complainant; and
- The District's procedures and permissible bases for the complainant and respondent to appeal if the District offers an appeal.

The District must provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the District provides the parties with the written determination of the result of the

appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

The Title IX Coordinator is responsible for ensuring the implementation of any remedies.

Appeal

The District must offer both parties an appeal from a determination regarding responsibility, and from the District's dismissal of a formal complaint or any allegations therein, on the following bases:

- Procedural irregularity that affected the outcome of the matter;
- New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
- The Title IX Coordinator, investigators, or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

The District may offer an appeal equally to both parties on additional bases.

As to all appeals, the District must:

- Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
- Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;
- Ensure that the decision-maker(s) for the appeal complies with the standards set forth in paragraph (b)(1)(iii) of § 106.45;
- Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
- Issue a written decision describing the result of the appeal and the rationale for the result; and
- Provide the written decision simultaneously to both parties.

Informal Resolution

The District may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with § 106.45. Similarly, the District may not require the parties to participate in an informal resolution process under § 106.45 and may not offer an informal resolution process unless a formal complaint is filed.

At any time prior to reaching a determination regarding responsibility the District may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the District:

- Provides to the parties a written notice disclosing, the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations;
- Obtains the parties' voluntary, written consent to the informal resolution process; and
- Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

At any time prior to agreeing to a resolution:

- Any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and
- Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Recordkeeping

The District must maintain for a period of seven (7) years records of :

- Each sexual harassment investigation including any determination regarding responsibility and any audio or audiovisual recording or transcript required under paragraph (b)(6)(i) of § 106.45, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the District's education program or activity;
- Any informal resolution and the result therefrom;
- All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The District must make these training materials publicly available on its website, or if the District does not maintain a website the District must

make these materials available upon request for inspection by members of the public; and

- For each response required under § 106.44, the District must create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the District must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the District's education program or activity.

If the District does not provide a Complainant Supportive Measures

If the District does not provide a complainant with supportive measures, then the District must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the District in the future from providing additional explanations or detailing additional measures taken.

The District is committed to investigating each report and to taking appropriate action on all confirmed violations of policy. The Title IX Coordinator shall have reports investigated and document those filed pursuant to this regulation as soon as

reasonable. In investigating the report, confidentiality will be maintained to the extent reasonably possible.

Upon receiving of a report regarding sex discrimination, which may include sexual harassment, with or without a formal complaint, the Title IX Coordinator shall have a response provided to complainant and respondent of non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, without fee or charge which provide supportive measures and which shall include, discussion of supportive measures and inform them of what is available without a formal complaint.

The Title IX Coordinator shall contact the complainant and gather information to complete the grievance report. Following completion of the forms, the Title IX Coordinator shall cause an investigation and documentation of complaints filed pursuant to policy ACA and regulation ACA-RA in so far as it applies and as soon as is reasonable. The parties shall have at least 10 days to submit a written response, which the investigator will consider prior to completion of the investigative report.

After the District has sent the investigative report to the parties and before reaching a determination regarding responsibility, the Superintendent or decision-maker must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party.

- the District's procedures and permissible bases for the complainant and respondent to appeal if the District offers an appeal.

If the person alleged to have violated policy is a teacher or an administrator, the due process provisions of the District's Policy GCQF shall apply. In cases of serious misconduct, dismissal or suspension proceedings in accordance with policy may be initiated.

If the person alleged to have violated policy is a support staff employee, due process and discipline under Policy GDQD may apply if the evidence so warrants.

If the person alleged to have violated policy is a student, the discipline may be imposed in accordance with Policies JK and JKD.

Appeals

The District shall offer both parties an appeal from a determination regarding responsibility, and from the District's dismissal of a formal complaint or any allegations therein, on the following bases:

- Procedural irregularity that affected the outcome of the matter;
- New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

- The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

Timelines (following the procedures found in ACA-RA)

The discrimination report or a formal complaint must be filed within thirty (30) calendar days after the complaining party knew or should have known that there were grounds for a complaint/grievance.

Once the grievance report has been received, the grievance form provided by the District is to be completed within one (1) working day, if possible. The Title IX Coordinator shall require the immediate supervisor or site administrator to investigate and respond in writing to the complaining party within ten (10) working days of obtaining the information in the form ACA-E, so far as was possible.

The Superintendent will have ten (10) additional working days to respond in writing to the complaining party regarding the objection.

If the complainant or respondent is not satisfied with the Superintendent's response and efforts to alleviate the discrimination alleged, establish responsibility or dismiss any allegations, the complainant or respondent will have ten (10) days within which to submit a written objection to the Board based on one of the following:

- Procedural irregularity that affected the outcome of the matter;
- New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
- The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

The Board will then review the record of the investigation and have thirty (30) days to respond to the complaining party in writing.

Extension or Delay request

Either the person who reported or the District may request a temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action.

SEXUAL HARASSMENT**Compliance Officer**

~~The Superintendent shall be the compliance officer. Any person who feels unlawfully discriminated against or who has been the victim of unlawful discrimination by an agent or employee of the District or who knows of such discrimination against another person should file a complaint with the Superintendent. If the Superintendent is the one alleged to have unlawfully discriminated, the complaint shall be filed with the President of the Board.~~

Complaint Procedure

~~The District is committed to investigating each complaint and to taking appropriate action on all confirmed violations of policy. The Superintendent shall investigate and document complaints filed pursuant to this regulation as soon as reasonable. In investigating the complaint, the Superintendent will maintain confidentiality to the extent reasonably possible. The Superintendent shall also investigate incidents of policy violation that are raised by the Board, even though no complaint has been made.~~

~~If after the initial investigation the Superintendent has reason to believe that a violation of policy has occurred, the Superintendent shall determine whether or not to hold an administrative hearing and/or to recommend bringing the matter before the Board.~~

~~If the person alleged to have violated policy is a teacher or an administrator, the due process provisions of the District's Policy GCQF shall apply, except that the supervising administrator may be assigned to conduct the hearing. In cases of serious misconduct, dismissal or suspension proceedings in accordance with policy may be initiated.~~

~~If the person alleged to have violated policy is a support staff employee, the Superintendent may follow due process and impose discipline under Policy GDQD if the evidence so warrants. The Superintendent also may recommend a suspension without pay, recommend dismissal, or impose other appropriate discipline.~~

~~If the Superintendent's investigation reveals no reasonable cause to believe policy has been violated, the Superintendent shall so inform the complaining party in writing.~~

Timelines

~~The complaint must be filed within thirty (30) calendar days after the complaining party knew or should have known that there were grounds for a complaint/grievance.~~

~~Once the written complaint has been filed using the forms provided by the District, the Superintendent shall require the immediate supervisor or site administrator to investigate and respond in writing to the complaining party within five (5) working days.~~

~~If the immediate supervisor or site administrator does not respond, the Superintendent will have ten (10) additional working days to respond in writing to the complaining party.~~

~~If the Superintendent does not respond within the established time, then the complaining party may request in writing that the issue be brought before the Board. The Board will then review the record of the investigation and have thirty (30) days to respond to the complaining party in writing.~~

2. Section 106.3 is amended by revising paragraph (a) to read as follows:

§106.3 Remedial and affirmative action and self-evaluation.

(a) *Remedial action.* If the Assistant Secretary finds that a recipient has discriminated against persons on the basis of sex in an education program or activity under this part, or otherwise violated this part, such recipient must take such remedial action as the Assistant Secretary deems necessary to remedy the violation, consistent with 20 U.S.C. 1682.

* * * * *

3. Section 106.6 is amended by revising the section heading and adding paragraphs (d), (e), (f), (g), and (h) to read as follows:

§ 106.6 Effect of other requirements and preservation of rights.

* * * * *

(d) *Constitutional protections.* Nothing in this part requires a recipient to:

(1) Restrict any rights that would otherwise be protected from government action by the First Amendment of the U.S. Constitution;

(2) Deprive a person of any rights that would otherwise be protected from government action under the Due Process Clauses of the Fifth and Fourteenth Amendments of the U.S. Constitution; or

(1)

(3) Restrict any other rights guaranteed against government action by the U.S. Constitution.

(e) Effect of Section 444 of General Education Provisions Act (GEPA)/Family Educational Rights and Privacy Act (FERPA). The obligation to comply with this part is not obviated or alleviated by the FERPA statute, 20 U.S.C. 1232g, or FERPA regulations, 34 CFR part 99.

(f) Title VII of the Civil Rights Act of 1964. Nothing in this part may be read in derogation of any individual’s rights under title VII of the Civil Rights Act of 1964, 42 U.S.C. 2000e *et seq.* or any regulations promulgated thereunder.

(g) Exercise of rights by parents or guardians. Nothing in this part may be read in derogation of any legal right of a parent or guardian to act on behalf of a “complainant,” “respondent,” “party,” or other individual, subject to paragraph (e) of this section, including but not limited to filing a formal complaint.

(h) Preemptive effect. To the extent of a conflict between State or local law and title IX as implemented by §§ 106.30, 106.44, and 106.45, the obligation to comply with §§ 106.30, 106.44, and 106.45 is not obviated or alleviated by any State or local law.

4. Section 106.8 is revised to read as follows:

§ 106.8 Designation of coordinator, dissemination of policy, and adoption of grievance procedures.

(a) Designation of coordinator. Each recipient must designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under this part, which employee must be referred to as the “Title IX Coordinator.” The recipient must notify applicants

(a)

for admission and employment, students, parents or legal guardians of elementary and secondary school students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, of the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator pursuant to this paragraph. Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report. Such a report may be made at any time (including during non-business hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator.

(b) Dissemination of policy—(1) Notification of policy. Each recipient must notify persons entitled to a notification under paragraph (a) of this section that the recipient does not discriminate on the basis of sex in the education program or activity that it operates, and that it is required by title IX and this part not to discriminate in such a manner. Such notification

must state that the requirement not to discriminate in the education program or activity extends to admission (unless subpart C of this part does not apply) and employment, and that inquiries about the application of title IX and this part to such recipient may be referred to the recipient's Title IX Coordinator, to the Assistant Secretary, or both.

(2) *Publications.* (i) Each recipient must prominently display the contact information required to be listed for the Title IX Coordinator under paragraph (a) of this section and the policy described in paragraph (b)(1) of this section on its website, if any, and in each handbook

or catalog that it makes available to persons entitled to a notification under paragraph (a) of this section.

(ii) A recipient must not use or distribute a publication stating that the recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by title IX or this part.

(c) *Adoption of grievance procedures.* A recipient must adopt and publish grievance procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by this part and a grievance process that complies with § 106.45 for formal complaints as defined in § 106.30. A recipient must provide to persons entitled to a notification under paragraph (a) of this section notice of the recipient's grievance procedures and grievance process, including how to report or file a

complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how the recipient will respond.

(d) Application outside the United States. The requirements of paragraph (c) of this section apply only to sex discrimination occurring against a person in the United States.

5. Section 106.9 is revised to read as follows:

§ 106.9 Severability.

If any provision of this subpart or its application to any person, act, or practice is held invalid, the remainder of the subpart or the application of its provisions to any person, act, or practice shall not be affected **thereby**.

6. Section 106.12 is amended by revising paragraph (b) to read as follows:

§ 106.12 Educational institutions controlled by religious organizations.

(b) Assurance of exemption. An educational institution that seeks assurance of the exemption set forth in paragraph (a) of this section may do so by submitting in writing to the Assistant Secretary a statement by the highest ranking official of the institution, identifying the provisions of this part that conflict with a specific tenet of the religious organization. An institution is not required to seek assurance from the Assistant

Secretary in order to assert such an exemption. In the event the Department notifies an institution that it is under investigation for noncompliance with this part and the institution wishes to assert an exemption set forth in paragraph (a) of this section, the institution may at that time raise its exemption by submitting in writing to the Assistant Secretary a statement by the highest ranking official of the institution, identifying the provisions of this part which conflict with a specific tenet of the religious organization, whether or not the institution had previously sought assurance of an exemption from the Assistant Secretary.

7. Add § 106.18 to subpart B to read as follows:

§ 106.18 Severability.

If any provision of this subpart or its application to any person, act, or practice is held invalid, the remainder of the subpart or the application of its provisions to any person, act, or practice shall not be affected **thereby**.

8. Add § 106.24 to subpart C to read as follows:

§ 106.24 Severability.

If any provision of this subpart or its application to any person, act, or practice is held invalid, the remainder of the subpart or the application of its provisions to any person, act, or practice shall not be affected **thereby**.

9. Add § 106.30 to subpart D to read as follows:

§ 106.30 Definitions.

(a) As used in this part:

Actual knowledge means notice of sexual harassment or allegations of sexual harassment to a recipient's Title IX Coordinator or any official of the recipient who has authority to institute corrective measures on behalf of the recipient, or to any employee of an elementary and secondary school. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of the recipient with actual knowledge is the respondent. The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the recipient. "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator as described in § 106.8(a).

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Consent. The Assistant Secretary will not require recipients to adopt a particular definition of consent with respect to sexual assault, as referenced in this section.

Formal complaint means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the recipient investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the recipient with which the formal complaint is filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator under § 106.8(a), and by any additional method designated by the recipient. As used in this paragraph, the phrase “document filed by a complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the recipient) that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party under this part or under § 106.45, and must comply with the requirements of this part, including § 106.45(b)(1)(iii).

Respondent means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

(1) An employee of the recipient conditioning the provision of an aid, benefit, or service of the recipient on an individual’s participation in unwelcome sexual conduct;

(2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient’s education program or activity; or

(1)

(3) “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the recipient’s educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The recipient must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide

the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

(b) As used in §§ 106.44 and 106.45:

Elementary and secondary school means a local educational agency (LEA), as defined in the Elementary and Secondary Education Act of 1965, as amended by the Every Student Succeeds Act, a preschool, or a private elementary or secondary school.

Postsecondary institution means an institution of graduate higher education as defined in

§ 106.2(l), an institution of undergraduate higher education as defined in § 106.2(m), an institution of professional education as defined in § 106.2(n), or an institution of vocational education as defined in § 106.2(o).

10. Add § 106.44 to subpart D to read as follows:

§ 106.44 Recipient's response to sexual harassment.

(a) *General response to sexual harassment.* A recipient with actual knowledge of sexual harassment in an education program or activity of the recipient against a person in the United States, must respond promptly in a manner that is not deliberately indifferent. A recipient is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances. For the purposes of this section, §§ 106.30,

and 106.45, “education program or activity” includes locations, events, or circumstances over which the recipient exercised substantial control over both the respondent and the context in which the sexual harassment occurs, and also includes any building owned or controlled by a student organization that is officially recognized by a postsecondary institution. A recipient’s response must treat complainants and respondents equitably by offering supportive measures as defined in § 106.30 to a complainant, and by following a grievance process that complies with § 106.45 before the imposition of any disciplinary sanctions or other actions that are not supportive measures as defined in § 106.30, against a respondent. The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures as defined in § 106.30, consider the complainant’s wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint. The Department may not deem a

(a)

recipient to have satisfied the recipient’s duty to not be deliberately indifferent under this part based on the recipient’s restriction of rights protected under the U.S. Constitution, including the First Amendment, Fifth Amendment, and Fourteenth Amendment.

(b) Response to a formal complaint. (1) In response to a formal complaint, a recipient must follow a grievance process that complies with § 106.45. With or without a formal complaint, a recipient must comply with § 106.44(a).

(2) The Assistant Secretary will not deem a recipient's determination regarding responsibility to be evidence of deliberate indifference by the recipient, or otherwise evidence of discrimination under title IX by the recipient, solely because the Assistant Secretary would have reached a different determination based on an independent weighing of the evidence.

(c) *Emergency removal.* Nothing in this part precludes a recipient from removing a respondent from the recipient's education program or activity on an emergency basis, provided that the recipient undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

(d) *Administrative leave.* Nothing in this subpart precludes a recipient from placing a non-student employee respondent on administrative leave during the pendency of a grievance process that complies with § 106.45. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

(a)

11. Add § 106.45 to subpart D to read as follows:

§ 106.45 Grievance process for formal complaints of sexual harassment.

(a) *Discrimination on the basis of sex.* A recipient's treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under title IX.

(b) *Grievance process.* For the purpose of addressing formal complaints of sexual harassment, a recipient's grievance process must comply with the requirements of this section. Any provisions, rules, or practices other than those required by this section that a recipient adopts as part of its grievance process for handling formal complaints of sexual harassment as defined in § 106.30, must apply equally to both parties.

(1) *Basic requirements for grievance process.* A recipient's grievance process must—

(i) Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following a grievance process that complies with this section before the imposition of any disciplinary sanctions or other actions that are not supportive measures as defined in § 106.30, against a respondent. Remedies must be designed to restore or preserve equal access to the recipient's education program or activity. Such remedies may include the same individualized services described in § 106.30 as "supportive measures"; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent;

(ii) Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations may not be based on a person’s status as a complainant, respondent, or witness;

(i)

(iii) Require that any individual designated by a recipient as a Title IX Coordinator, investigator, decision-maker, or any person designated by a recipient to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A recipient must ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training on the definition of sexual harassment in § 106.30, the scope of the recipient’s education program or activity, how to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. A recipient must ensure that decision-makers receive training on any technology to be used at a live hearing and on issues of relevance of questions and evidence, including when questions and evidence about the complainant’s sexual predisposition or prior sexual behavior are not relevant, as set forth in paragraph (b)(6) of this section. A recipient also must ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence, as set forth in paragraph (b)(5)(vii) of this section. Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment;

(iv) Include a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process;

(v) Include reasonably prompt time frames for conclusion of the grievance process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the recipient offers informal resolution processes, and a process that allows for the

(i) temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities;

(vi) Describe the range of possible disciplinary sanctions and remedies or list the possible disciplinary sanctions and remedies that the recipient may implement following any determination of responsibility;

(vii) State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, apply the same standard of evidence for formal complaints against students as for formal complaints against employees, including faculty, and apply the same standard of evidence to all formal complaints of sexual harassment;

(viii) Include the procedures and permissible bases for the complainant and respondent to

appeal;

(ix) Describe the range of supportive measures available to complainants and respondents; and

(x) Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

(2) *Notice of allegations*—(i) Upon receipt of a formal complaint, a recipient must provide the following written notice to the parties who are known:

(1)

(A) Notice of the recipient's grievance process that complies with this section, including any informal resolution process.

(B) Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined in § 106.30, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment under § 106.30, and the date and location of the alleged incident, if known. The written notice must include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process. The written notice must inform the parties that they may

have an advisor of their choice, who may be, but is not required to be, an attorney, under paragraph (b)(5)(iv) of this section, and may inspect and review evidence under paragraph (b)(5)(vi) of this section. The written notice must inform the parties of any provision in the recipient's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

(ii) If, in the course of an investigation, the recipient decides to investigate allegations about the complainant or respondent that are not included in the notice provided pursuant to paragraph (b)(2)(i)(B) of this section, the recipient must provide notice of the additional allegations to the parties whose identities are known.

(3) *Dismissal of a formal complaint*—(i) The recipient must investigate the allegations in a formal complaint. If the conduct alleged in the formal complaint would not constitute sexual harassment as defined in § 106.30 even if proved, did not occur in the recipient's education program or activity, or did not occur against a person in the United States, then the recipient

(1)

must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under title IX or this part; such a dismissal does not preclude action under another provision of the recipient's code of conduct.

(ii) The recipient may dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing: a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any

allegations therein; the respondent is no longer enrolled or employed by the recipient; or specific circumstances prevent the recipient from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

(iii) Upon a dismissal required or permitted pursuant to paragraph (b)(3)(i) or (b)(3)(ii) of this section, the recipient must promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties.

(4) *Consolidation of formal complaints.* A recipient may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one complainant or more than one respondent, references in this section to the singular “party,” “complainant,” or “respondent” include the plural, as applicable.

(5) *Investigation of a formal complaint.* When investigating a formal complaint and throughout the grievance process, a recipient must—

(i) Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the recipient and not on the parties provided that the recipient cannot access, consider, disclose, or otherwise use a party’s records

(i)

that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the recipient obtains that party's voluntary, written consent to do so for a grievance process under this section (if a party is not an "eligible student," as defined in 34 CFR 99.3, then the recipient must obtain the voluntary, written consent of a "parent," as defined in 34 CFR 99.3);

(ii) Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;

(iii) Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;

(iv) Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the recipient may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;

(v) Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;

(vi) Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal

(i)

complaint, including the evidence upon which the recipient does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the recipient must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least 10 days to submit a written response, which the investigator will consider prior to completion of the investigative report. The recipient must make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination; and

(vii) Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to a hearing (if a hearing is required under this section or otherwise provided) or other time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

(6) *Hearings.* (i) For postsecondary institutions, the recipient's grievance process must provide for a live hearing. At the live hearing, the decision-maker(s) must permit each

party's advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility. Such cross-examination at the live hearing must be conducted directly, orally, and in real time by the party's advisor of choice and never by a party personally, notwithstanding the discretion of the recipient under paragraph (b)(5)(iv) of this section to otherwise restrict the extent to which advisors may participate in the proceedings. At the request of either party, the recipient must provide for the live hearing to occur with the

(1)

parties located in separate rooms with technology enabling the decision-maker(s) and parties to simultaneously see and hear the party or the witness answering questions. Only relevant cross-examination and other questions may be asked of a party or witness. Before a complainant, respondent, or witness answers a cross-examination or other question, the decision-maker(s) must first determine whether the question is relevant and explain any decision to exclude a question as not relevant. If a party does not have an advisor present at the live hearing, the recipient must provide without fee or charge to that party, an advisor of the recipient's choice, who may be, but is not required to be, an attorney, to conduct cross-examination on behalf of that party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to

prove consent. If a party or witness does not submit to cross-examination at the live hearing, the decision-maker(s) must not rely on any statement of that party or witness in reaching a determination regarding responsibility; provided, however, that the decision-maker(s) cannot draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the live hearing or refusal to answer cross-examination or other questions. Live hearings pursuant to this paragraph may be conducted with all parties physically present in the same geographic location or, at the recipient's discretion, any or all parties, witnesses, and other participants may appear at the live hearing virtually, with technology enabling participants simultaneously to see and hear each other. Recipients must create an audio

or audiovisual recording, or transcript, of any live hearing and make it available to the parties for inspection and review.

(ii) For recipients that are elementary and secondary schools, and other recipients that are not postsecondary institutions, the recipient's grievance process may, but need not, provide for a hearing. With or without a hearing, after the recipient has sent the investigative report to the parties pursuant to paragraph (b)(5)(vii) of this section and before reaching a determination regarding responsibility, the decision-maker(s) must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. With or without a hearing, questions and evidence about the complainant's sexual predisposition

or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.

(7) *Determination regarding responsibility.* (i) The decision-maker(s), who cannot be the same person(s) as the Title IX Coordinator or the investigator(s), must issue a written determination regarding responsibility. To reach this determination, the recipient must apply the standard of evidence described in paragraph (b)(1)(vii) of this section.

(ii) The written determination must include—

(A) Identification of the allegations potentially constituting sexual harassment as defined in § 106.30;

(A)

(B) A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;

(C) Findings of fact supporting the determination;

(D) Conclusions regarding the application of the recipient’s code of conduct to the facts;

(E) A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the recipient’s education program or activity will be provided by the recipient to the complainant; and

(F) The recipient’s procedures and permissible bases for the complainant and respondent to appeal.

(iii) The recipient must provide the written determination to the parties simultaneously.

The determination regarding responsibility becomes final either on the date that the recipient provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

(iv) The Title IX Coordinator is responsible for effective implementation of any remedies.

(8) *Appeals.* (i) A recipient must offer both parties an appeal from a determination regarding responsibility, and from a recipient’s dismissal of a formal complaint or any allegations therein, on the following bases:

(A) Procedural irregularity that affected the outcome of the matter;

(A)

(B) New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

(C) The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

(ii) A recipient may offer an appeal equally to both parties on additional bases.

(iii) As to all appeals, the recipient must:

(A) Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;

(B) Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;

(C) Ensure that the decision-maker(s) for the appeal complies with the standards set forth in paragraph (b)(1)(iii) of this section;

(D) Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;

(E) Issue a written decision describing the result of the appeal and the rationale for the result; and

(F) Provide the written decision simultaneously to both parties.

(9) *Informal resolution.* A recipient may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with this section. Similarly, a recipient may not require the parties to

(1)

participate in an informal resolution process under this section and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the recipient may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the recipient –

(i) Provides to the parties a written notice disclosing: the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;

(ii) Obtains the parties' voluntary, written consent to the informal resolution process;
and

(iii) Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

(10) *Recordkeeping.* (i) A recipient must maintain for a period of seven years records of

–

(A) Each sexual harassment investigation including any determination regarding responsibility and any audio or audiovisual recording or transcript required under paragraph (b)(6)(i) of this section, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the recipient’s education program or activity;

(B) Any appeal and the result therefrom;

(C) Any informal resolution and the result therefrom; and

(A)

(D) All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. A recipient must make these training materials publicly available on its website, or if the recipient does not maintain a website the recipient must make these materials available upon request for inspection by members of the public.

(ii) For each response required under § 106.44, a recipient must create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the recipient must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to

restore or preserve equal access to the recipient's education program or activity. If a recipient does not provide a complainant with supportive measures, then the recipient must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the recipient in the future from providing additional explanations or detailing additional measures taken.

12. Add § 106.46 to subpart D to read as follows:

§ 106.46 Severability.

If any provision of this subpart or its application to any person, act, or practice is held invalid, the remainder of the subpart or the application of its provisions to any person, act, or practice shall not be affected **thereby**.

13. Add § 106.62 to subpart E to read as follows:

§ 106.62 Severability.

If any provision of this subpart or its application to any person, act, or practice is held invalid, the remainder of the subpart or the application of its provisions to any person, act, or practice shall not be affected **thereby**.

14. Subpart F is revised to read as follows:

Subpart F--Retaliation

Sec.

106.71 Retaliation

106.72 Severability

Subpart F–Retaliation

§ 106.71 Retaliation.

(a) *Retaliation prohibited.* No recipient or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by title IX or this part, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this part. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by title IX or this part, constitutes retaliation. The recipient must keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or

(a)

filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any

witness, except as may be permitted by the FERPA statute, 20 U.S.C. 1232g, or FERPA regulations, 34 CFR part 99, or as required by law, or to carry out the purposes of 34 CFR part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination required to be adopted under § 106.8(c).

(b) Specific circumstances. (1) The exercise of rights protected under the First Amendment does not constitute retaliation prohibited under paragraph (a) of this section.

(2) Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under paragraph (a) of this section, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

§ 106.72 Severability.

If any provision of this subpart or its application to any person, act, or practice is held invalid, the remainder of the subpart or the application of its provisions to any person, act, or practice shall not be affected **thereby**.

15. Add subpart G to read as follows:

Sec.

106.81 Procedures

106.82 Severability

106.81

Subpart G – Procedures

§ 106.81 Procedures.

100.11 and 34 CFR part 101.

§ 106.82 Severability.

If any provision of this subpart or its application to any person, act, or practice is held invalid, the remainder of the subpart or the application of its provisions to any person, act, or practice shall not be affected **thereby**.
